## Cathaoirleach

On behalf of Coiste Condae Londáin it gives me great pleasure to extend a céad míle fáilte to club members and supporters to McGovern Park for today's Under 17 championship final between Tara and St. Kiernans.

We commend both Tara and St. Kiernan's clubs for investing so much in promoting our games in London and for attracting and coaching their players of all age groups. The work done over the years by both clubs is now flourishing to add to their adult pool of players.

Today's game will showcase the increasing standards being played at underage and while acknowledging this we also thank all underage clubs and the youth committee in London for their commitment to our games.

Finals are the culmination of many months of work in coaching and preparation and we congratulate both teams for reaching today's final.

To all players, coaches, and parents we trust you all enjoy today's game and regardless of the outcome remember that enjoyment and friendships forged today will remain forever.

We ask that all our patrons comply with the requests of our stewards and trust all enjoy our game today

Donál O'Corbéid  
Cathaoirleach

## Address

On behalf of the London Youth Committee, we warmly welcome both the St Kiernan's and Taras Teams, their Coaches, family, friends and all our other GAA members who have come to McGovern Park today to support and cheer on both finalists of the 2021 U17's Football Championship Final.

As a Committee we wish to congratulate both Clubs on their successful journey to reach the Final, and to also sincerely thank all the other U17 Teams who participated in this seasons Championship fixtures.

It is important that we recognise today every Team who took part in our Championship, and express our thanks to the relentless hard work and dedication of the Coaches and Club volunteers who give their valuable time each week to our young GAA players at training and coaching sessions.

GAA Youth activity in London continues to grow year on year, and it is with great pride we see the increase in talent levels across both Football & Hurling flourish throughout the county. A special thanks to our CDA Gavin Watchorn who creates and manages all our GAA activity in London.

We wish both Teams and match Officials every success today. We look forward to seeing a competitive game that will create for everyone fond and lasting memories of this special day, here in our GAA home McGovern Park, Ruislip.

Le meas,

Joel McInern  
Youth Committee Chairperson
